### An A.I. radio host

RadioGPT can talk. It can research. It can take your calls. And it could be coming to your market.

Slate

### Amateur Radio License Map

Use this map to find Amateur Radio license holders in the United States.

### Ham Radio 101: Soldering tips

Learning how to solder using proper techniques is a fundamental skill every Ham should master.

[OnAllBands](#)

### Lamenting the loss of the old Novice bands

I think new ops trying to learn CW are at a significant disadvantage.

[AE5X](#)

### Citizens Band QSL card

I'm one of those Amateur Radio operators that started the hobby at end of the 70s on CB.

[PE4BAS](#)

### DIY drive-on antenna mast

Unlike most Drive-on mast mounts, I didn't want to use metal because it tends to be difficult to store in the Jeep.

[Mikes Tech Blog](#)

### Oscilloscope graphics just for fun

The result is a smooth but delightfully retro effect which is best viewed on a old cathode ray oscilloscope.
